Please note: SLSI has been invited to this 'mini carnival' between the 3 branches and therefore had no involvement in the program which has excluded U11's & boat crews.

All of the above SLSI members are invited to a 'special events mini carnival' this **SUNDAY (26 Oct)** between Sydney Northern Beaches, Sydney Branch & Illawarra at **WANDA BEACH**. This mini carnival will also be used as a selection guide for the 2008/2009 SLSI Branch Team to be selected.

TIME: Report 12.30pm on the beach NORTHERN SIDE OF WANDA SURF CLUB

EVENT STARTS: 1.00pm. Expected to finish 4pm. Program includes Ironman-Swim-Board-Ski-Flags-Sprint events. Please bring own craft & competition cap.

BULLI SLSC will supply a club tent. Any other club tents would be greatly appreciated.

Apologies for the late notice as Sydney & Sydney Northern Beaches had been having discussions about location of carnival & it was only confirmed late Monday evening.
