

Surf Life Saving Illawarra

Circular 09003

To: Club Captains
From: Gerald Davies :: Life Saving Director
Jim Starkey :: Chief Scrutineer
Date: 12th August 2009
Subject: Pre Season Life Saving Equipment Inspection and Audit

Dear All

Please arrange for the following to occur:

1. Update details of all Life Saving Gear and Equipment in Surf Guard.
2. Print out the Check Sheets from Surf Guard.
3. Check the Gear and Equipment on the check sheets.
4. Contact the nominated scrutineer and arrange a mutually suitable time for your gear to be audited between Fri 18th Sept 2009 and Sun 27th September 2008.
5. Last season there was significant failure from a minority of clubs to enter gear into Surf Guard BEFORE the inspection and have up to date sheets ready for the Scrutineers. This is unfair on the Scrutineers, very poor club performance and will not be tolerated.

Nominated Scrutineers
