

Vigilance and Service

CIRCULAR 1009

October 2010

EVENT: WOLLONGONG SWIM CLUB OPEN WATER SWIM
WHEN: SATURDAY OCTOBER 23
WHERE: BELMORE BASIN
TIME: 9am-12noon

Wollongong Swim Club are holding their 3rd Annual Open Water Swim at Belmore Basin on Saturday, 23 October, 2010. For entries see: www.wollongong.nswswimming.com.au

In conjunction with the swim club, SLSI will be **conducting proficiencies for junior members** at this event.

HOW: The junior member enters their age group swim. The swim will form part of the SLSA preliminary and competitive evaluations. After the member has competed their swim, they will then complete their proficiency under the guidance of SLSI assessors. SLSI assessors will then complete the club's proficiency cards.

SLSI will also have a **"Recruitment Display"** on the day.

HELP REQUIRED:

We are looking for help from:

- 1) Qualified and endorsed assessors
- 2) Rookies and active members to help with recruiting stand and demonstrations.
- 3) Water Safety

**If you or anyone from your club can help on this day
please email memberservices@slsillawarra.com.au
by Wednesday October 20.**

SLSI is supporting this event as we see it as:

- 1) a great opportunity to showcase Surf Life Saving to the youth and community members.
- 2) a way to help our clubs with getting their junior members proficiencies completed.

Thanks

Craig St George and Maria Caldwell
